Phase 1c-d
Campus Center Project
///// Aug - Dec 2019

*The Ferst Center for the Arts will be accessible using the newly paved area that will replace the eastern planter.

*Accessible temporary pathways that utilize the Ferst Center's ramp will be in place to allow traffic flow to the west side of campus.

*Access to the north side of the Smithgall building will be limited. Exits on the east, south, and west sides of the building should be used.
